

be merry

limited edition minis sessions

2020

the locations...

This year's *be merry* minis will be held at three different locations in and around San Antonio.

The specific address will be mailed to you two weeks before your session date. All session slots are held two hours before sunset.

the castle: this location is located off of highway 46 just north of San Antonio and booked in a couple of hours last year. It is the most magical place... a real castle and a beautiful garden is the perfect backdrop for you and your family. (4 slots only) October 22.

the greenhouse: this location is in nearby New Braunfels, Texas and is so worth the drive. The glass greenhouse is surrounded by a gorgeous garden, paved stone walkways, and the most amazing light coming through the trees. It is a new location this year... and is sure to book quickly. (8 slots only) Sept. 19 & 26

an open field: Let your family be the focus in a field of green in north San Antonio surrounded by the most amazing golden light... a perfect place for sweet kisses, snuggles and belly laughs. October 18 & 25

just a note...

Although we all want the "look at the camera" type of images, this session will capture more than that.

this session is meant to snap pictures of you and your family enjoying every little moment together... snuggling, tickling and laughing together.

These images are a reflection of your love and happiness together.

Enjoy every part of it... and let me create the ART that you will forever hang on the walls of your beautiful home.
